The Foundation for the Development of Internal Medicine in Europe (FDIME) is a European Foundation registered in Switzerland, recognized of public interest with fiscal privilege at the cantonal and federal level. FDIME subscribes to TGE (Transnational Giving Europe) which enables supporters in many European countries to donate with the benefit of tax relief. FDIME is a non-profit organization, fully dependent on donations to support Internal Medicine research mainly in Rare Diseases and Auto-Immune Diseases, and to provide educational grants for Young Internists.
